## PASTOR'S COLUMN

Dear Brothers and Sisters in Christ,

It was a pleasure to welcome Fr. Joshua Caswell, the Superior General of the Canons Regular of St. John Cantius in Chicago, Illinois last Sunday, April 21 at the 10:30am Mass. He was here to help celebrate the 50<sup>th</sup> Anniversary year of the Twin Cities Catholic Chorale. We are grateful for his presence and work that is so similar to Saint Agnes. The Canons Regular at St. John Cantius strive to help Catholics "rediscover a profound sense of the sacred through solemn liturgies, devotions, sacred art and sacred music, as well as instruction in Church heritage, catechesis and Catholic culture in the context of parish ministry."

While here, Fr. Caswell presented Saint Agnes with a beautiful medallion to commemorate our mutual devotion to the sacred. The front cover has the motto of the St. John Cantius Society "*Instaurare Sacra*" – translated to mean "To Restore the Sacred."

The back of the medallion has the following prayer: *Heavenly Father, through the intercession of St. John of Kenty, may we the members and associates of the Canons Regular of St. John Cantius, increase daily in holiness and strive for the sanctity of all. May we become zealous restorers of the sacred in your church and tireless apostles to the world. We ask this through Christ our Lord and King.*

Thank you to those of you who were able to join us for the solemn High Mass. We pray for our church, both around the world and here at Saint Agnes, that we truly become zealous and tireless apostles for God.

May God bless you and keep you.

Saint Agnes, pray for us!

Fr. Moriarty

## AT SAINT AGNES

Beverages and rolls served Sunday after Masses in Schuler Hall by the members of the Knights of Columbus.

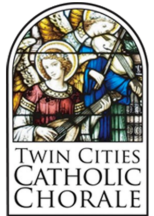

## CHORALE AND ORCHESTRA NOTES

**Anton Bruckner, *Missa Solemnis* (1854)**

Bruckner composed the *Missa Solemnis* for the installation of Friedrich Mayer as abbot of St. Florian Monastery on 14 September 1854. Stylistically the Mass, in the line of Beethoven's Masses, displays Bruckner's confrontation with tradition. Multiple influences afford the work some heterogeneity, in which J. S. Bach's technique of the fugue is "amalgamated" with elements of the Viennese Classical and Preclassical periods, and of the early Romantic composers like Schubert.

The Twin Cities Catholic Chorale is a non-profit organization that depends solely on the generosity of its patrons. Programs are available at the church entrances and also on the Chorale's website, [www.catholicchorale.org](http://www.catholicchorale.org). **Next Sunday the Chorale and Orchestra will present Joseph Haydn's *Schöpfungsmesse*.**
